Hon'ble H. Sitarama Reddi,
Minister of Revenue,
Government of Madras,
Fort St. George, Madras.

Sir,

Sub:- Land grant to Political Sufferers.

I beg to bring the following few lines for your kind consideration and favourable orders :-

I am a Political Sufferer from the Nilgiri District. I applied for land grant in 1948. I was asked to select 10 acres of land by the Nilgiri Collector. I selected land more than four or five times but it was not granted.

After three years the Collector of the Nilgiris rejected my application on the ground that I belong to a different District. So I sent my application to the Collector of South Kanara, Mangalore the place of my residence. But he has rejected the same, saying that it is time barred.

Under these circumstances I kindly request you to favour me with an order to the Collector of South Kanara to accept my application and grant me land.

I am herewith enclosing the true copies of letters I received from the Collector of the Nilgiri and South Kanara for your kind perusal.

I hope that my request will be favoured with.

Thanking you for a line in reply.

I remain, Sir,
Yours faithfully,

M B Kalappa

To

The Collector of South Kanara,
Mangalore.

Through The Minister Board of Revenue, Government of Madras.

Sir,

Sub:- Grant of land | Political Sufferers -

I regret very much that my previous application for the grant of land was rejected by you. Mine was not a fresh application at all. I had applied to the Nilgiri District Collector on 11-6-1948, but it was rejected on the ground that I was not a resident of that District. My application was however registered there and hence time bar does not apply to me. As I am permanently residing in Mangalore, I request you to consider my application as a special case in view of the above fact that my application was registered in time in the Nilgiri District, and kindly register my application.

In this connection, I beg to draw your attention to the Press Statement of the Hon'ble H.Sitarama Reddi, Revenue Minister, published in the Mail of 21-12-1951 wherein he had stated that in deserving cases the Government would condone delay in registering the applications on satisfactory explanation, and consider such applications on their merits.

Hope you will kindly consider my case favourably and register my application.

Thanking you,

Yours faithfully,

M. B. Kalappa

2/ The petitioner has represented that he applied to the Collector of the Nilgiris in 1948 for grant of land in the Nilgiris Dt. under the scheme for grant of lands to political sufferers, but that the Collector informed him that as he was not a resident of the Nilgiris he could not be assigned land in that district. The petitioner then applied to the Coll. of S. Kanara for the assignment of lands in S. Kanara Dt, but the Coll. rejected his petition on the ground that it was belated. The petitioner requests that he may be granted lands under the scheme.
